IMPORTANT

1. On Arrival at the Show – This Document **MUST** be handed to the Show Organisers to comply with the General Licence. Failure to do so may lead to heavy fines on conviction and may jeopardise future events.
2. This Animal Transport Certificate **MUST** be completed for all birds transported and must describe fully the number and types of birds transported
3. This Certificate **MUST** be filled in with the journey details prior to the commencement of transport and completed at the destination with the times of unloading the final animal from the vehicle. It is a legal requirement that the Certificate is carried at all times in the vehicle undertaking the transport of the animals and is made available on request to an Inspector.
